

# God Speaks to Me, Too

*A Spiritual Memoir*

BY PATRICK J. DELOHERY

*“I was ten years old when I watched in horror as one of my brothers attempted to murder my other brother — with a shotgun I brought to their fistfight...  
...that’s when God made his divine love and Grace known to me...and my life was forever changed.”*

## ABOUT THE BOOK

God has spoken to me. Jesus has spoken to me. The Holy Spirit has moved through me several times. An Archangel has stood beside me more than once. This is the account of 58 years of my direct, ongoing, and personal relationship with God — told plainly, by a man who has been held accountable with precision, forgiven with mercy, and carried through the unsurvivable by the love and the Grace of God.

*“Of course it was Adam”*

THE CAVEAT AND THE LESSON HE WILL CARRY FOREVER

I am not writing a theology. I am not starting a movement. I am simply telling you what has happened to me, in my life. If you have walked away from religion but not from God — this is for you. If you are sitting in grief right now, wondering where He is — this is especially for you. I know, with certainty, that God speaks to you, too.

## ABOUT THE AUTHOR

Patrick J. Delohery is an electrical engineer with a 35+ year career across consumer, industrial, and defense sectors — including system integration work at NSA Headquarters and Johns Hopkins Applied Physics Laboratory while on assignment from Honeywell. He is a named inventor on multiple U.S. and foreign patents; his first microchip design was deployed in more than 5 million systems around the world.

He is the founder of EPIC Engineering Solutions in Colorado Springs, Colorado.
